This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

Prior to October 1, 2028,the water user shall install a totalizing flow meter, or, with prior approval of the Director, another suitable measuring device, at each point of diversion (new and existing). The water user shall maintain the meters or measuring devices in good working order. The water user shall allow the Watermaster access to the meters or measuring devices; provided however, where the meters or measuring devices are located within a private structure, the Watermaster shall request access upon reasonable notice.

Prior to October 1, 2028, the water user shall install an approved fish screen at the new points of diversion and shall provide to the OWRD a written statement from Oregon Department of Fish and Wildlife (ODFW) that the installed screens meet the state's criteria, or that ODFW has determined a screen is not necessary.

This certificate is issued to confirm a HISTORIC CHANGE IN POINT OF DIVERSION AND ADDITIONAL POINT OF DIVERSION approved by an order of the Water Resources Director entered _11/10/2026_____, approving Transfer Application T-14502. This certificate together with Certificate 99624, supersedes Certificate 56500, State Record of Water Right Certificates.

The issuance of this superseding certificate does not confirm the status of the water right in regard to the provisions of ORS 540.610 pertaining to forfeiture or abandonment.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described and is subject to all other conditions and limitations contained in said decree.

WITNESS the signature of the Water Resources Director, affixed 11/10/2026 .
