

STATE OF OREGON  
COUNTY OF                      GRANT  
**CERTIFICATE OF WATER RIGHT**

**This Is to Certify, That** ISAAC G. BOGARD

of        John Day                      , State of        Oregon                      , has made proof  
to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of  
Long Gulch Spring Overflow from City Water Works  
a tributary of        Canyon Creek and John Day River                      for the purpose of  
Irrigation  
under Permit No 8058                      of the State Engineer, and that said right to the use of said waters  
has been perfected in accordance with the laws of Oregon; that the priority of the right hereby  
confirmed dates from June 27, 1927;

that the amount of water to which such right is entitled and hereby confirmed, for the purposes  
aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed  
0.02 cubic foot per second,

or its equivalent in case of rotation.

The point of diversion is located in the SW $\frac{1}{4}$ SE $\frac{1}{4}$ , Section 26, Township 13 South, Range  
31 East, W. M.

The amount of water used for irrigation, together with the amount secured under any other  
right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second  
per acre, and is also limited to the water available at the proposed point of  
diversion, and does not carry with it the right to divert water from the stream  
from which the waste water is diverted nor the right to require the wasteful  
use of water by others,

and shall

conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right  
is appurtenant, is as follows:

1 acre in the SW $\frac{1}{4}$ SE $\frac{1}{4}$ ,  
Section 26,  
Township 13 South, Range 31 East, W. M.

The right to the use of the water for the purposes aforesaid is restricted to the lands or  
place of use herein described.

After the expiration of fifty years from the date of this certificate or on the expiration of  
any federal power license issued in connection with this right, and after not less than two years'  
notice in writing to the holder hereof, the State of Oregon, or any municipality thereof, shall have  
the right to take over the dams, plants and other structures and all appurtenances thereto which  
have been constructed for the purpose of devoting to beneficial use the water rights specified  
herein, upon condition that before taking possession the State or municipality shall pay not to  
exceed the fair value of the property so taken, plus such reasonable damages, if any, to valuable,  
serviceable and dependable property of the holder of this certificate, not taken over, as may be  
caused by the severance therefrom of the property taken in accordance with the provisions of section  
47-508, Oregon Code 1930.

WITNESS the signature of the State Engineer, affixed

this    10th day of    September                      , 1934 .

..... CHAS. E. SPRICKLIN

State Engineer

Recorded in State Record of Water Right Certificates, Volume 10 , page 10859
