

STATE OF OREGON

COUNTIES OF GRANT and BAKER

CERTIFICATE OF WATER RIGHT

THIS IS TO CERTIFY, That J. R. DODSON, of 105 E. 19th Street N., Portland, State of Oregon, has made proof to the satisfaction of the State Engineer of Oregon, of a right to the use of the waters of the West and East Forks of Clear Creek, tributary of Granite Creek, tributary of the North Fork John Day River, for the purpose of mining and supplemental irrigation, under Permit No. 10087 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from October 31, 1930; that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 30.0 cubic feet per second for mining purposes, being 15.0 cubic feet per second from each source, and for irrigation the appropriation shall not exceed 22.55 cubic feet per second of the above 30.0 cubic feet per second, or its equivalent in case of rotation. The points of diversion are located in the NW₁SW₄, Section 31, Township 9 South, Range 35 East, W. M., and NE₁NW₄, Section 36, Township 9 South, Range 34 East, W. M.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to one-eighth of one cubic foot per second per acre, and shall conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

After the expiration of fifty years from the date of this certificate or on the expiration of any federal power license issued in connection with this right, and after not less than two years' notice in writing to the holder hereof, the State of Oregon, or any municipality thereof, shall have the right to take over the dams, plants and other structures and all appurtenances thereto which have been constructed for the purpose of devoting to beneficial use the water rights specified herein, upon condition that before taking possession the State or municipality shall pay not to exceed the fair value of the property so taken, plus such reasonable damages, if any, to valuable, serviceable and dependable property of the holder of this certificate, not taken over, as may be caused by the severance therefrom of the property taken in accordance with the provisions of section 47-508, Oregon Code 1930.

WITNESS the signature of the State Engineer,
affixed this 6th day of April, 1936.

State Engineer.
