This is to Certify, That GEORGE L. SHOAF and IRENE M. SHOAF

of _____, State of Oregon _____, has made proof
to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of
Springs

a tributary of Applegate River _____ for the purpose of
Supplemental Irrigation
under Permit No. 8285 of the State Engineer, and that said right to the use of said waters
has been perfected in accordance with the laws of Oregon; that the priority of the right hereby
confirmed dates from January 23, 1928;

that the amount of water to which such right is entitled and hereby confirmed, for the purposes
aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed
0.13 cubic foot per second;

The point of diversion is located in the SE $\frac{1}{4}$ SE $\frac{1}{4}$ of Section 36, Township 36S, Range 7W, W. M.
The use hereunder for irrigation shall conform to such reasonable rotation system as may be
ordered by the proper state officer.

The amount of water used for irrigation, together with the amount secured under any other
right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second per
acre, or its equivalent in case of rotation.

A description of the lands irrigated under the right hereby confirmed, and to which such
right is appurtenant (if for irrigation or any other purpose), is as follows: 10 acres in the
SE $\frac{1}{4}$ SE $\frac{1}{4}$, Section 36, Township 36 South, Range 7 West of the Willamette Meridian
in Josephine County, Ore.

NOTE: This certificate is issued to correct and supercede that certain water right certificate recorded on Page 8645, State Record of Water Right Certificates.

The right to the use of the water for any purpose is restricted to the lands or place of use herein described.

After the expiration of fifty years from the date of this certificate or on the expiration of any federal power license issued in connection with this right, and after not less than two years notice in writing to the holder hereof, the State of Oregon, or any municipality thereof, shall have the right to take over the dams, plants and other structures and all appurtenances thereto which have been constructed for the purpose of devoting to beneficial use the water rights specified herein, upon condition that before taking possession the State or municipality shall pay not to exceed the fair value of the property so taken, plus such reasonable damages, if any, to valuable, serviceable and dependable property of the holder of this certificate, not taken over, as may be caused by the severance therefrom of the property taken in accordance with the provisions of section 5728, Oregon Laws.

WITNESS the signature of the State Engineer,

affixed this 21st day
of February, 1950.

CHAS. E. STRICKLIN
State Engineer.
