

STATE OF OREGON  
COUNTY OF CLATSOP  
**CERTIFICATE OF WATER RIGHT**

**This Is to Certify, That** GEORGE F. IRVING

of Route 1, Box 863, Astoria, State of Oregon, has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of an unnamed stream a tributary of Walluski River for the purpose of domestic use for one family, stock, mink and refrigeration, being 0.01 c.f.s. for domestic, 0.01 c.f.s. for stock, 0.01 c.f.s. for mink and 0.025 c.f.s. for refrigeration under Permit No. 17550 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from February 14, 1947

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.055 cubic foot per second,

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the SW $\frac{1}{4}$  NW $\frac{1}{4}$ , Section 2, Township 7 North, Range 9 West, W. M.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to of one cubic foot per second per acre,

and shall conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

1 family domestic, stock use, refrigeration of Mink & human food in SW $\frac{1}{4}$  NW $\frac{1}{4}$  Section 2, Township 7 North, Range 9 West, W. M.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

WITNESS the signature of the State Engineer, affixed

this 31st day of January, 192 .

CHAS. S. STRICKLIN  
State Engineer
