

STATE OF OREGON
COUNTY OF UMATILLA
CERTIFICATE OF WATER RIGHT

This Is To Certify, That ROGERS CANNING COMPANY

of Milton, State of Oregon, has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of a well a tributary of Walla Walla River for the purpose of canning under Permit No. U-355 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from August 11, 1950

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 2.68 cubic feet per second,

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the SW¹/₄ NE¹/₄, Section 12, Township 5 North, Range 35 East, W. M.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to of one cubic foot per second per acre,

and shall conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

SW¹/₄ NE¹/₄
Section 12
Township 5 North, Range 35 East, W. M.

Land on which water is to be used is a part of that more explicitly described by appropriator as follows:

Beginning at a point on the E. line of Mill Street, 23' northerly from the NW corner of Lot 3 of Bl. 2 of Miller's addition to the City of Milton in Umatilla County, Oregon, and running thence Northeasterly parallel to and 8' Southerly from the center line of the Walla Wall Valley Railway Company's spur track 98.3' to a point 98' Easterly from and at right angles to the East line of Mill Street and 32' Northerly from and at right angles to the North line of Lot 3 of said Bl. 2 of Miller's addition; thence North 65° E. 388.5 feet to a point 20' Westerly from and at right angles to the center line of the Miller Mill flume; thence South 20° 13' East on a line parallel to and 20' from the center line of said Miller mill flume, extended to and beyond the end of said flume for a total distance of 331.6' more or less to a point on the North line of William or Third Street now called "Williams Street", said North line being and is the extended South line of said Bl. 2 of Miller's addition; thence West along said extended line 172.7' more or less to a point which is 2' Easterly from and at right angles to the Easterly line of Miller Avenue extended; thence West along said extended South line of said Bl. 2 and along the South line of said Bl. 2 a distance of 289' to a point on the Easterly line of Mill Street which point is the SW corner of Lot 4 of said Bl. 2; thence Northwesterly along the Easterly line of Mill Street, a distance of 67' to the Southwest corner of Lot 3 of said Bl. 2; thence Northwesterly along the Easterly line of Mill Street 74.93' to the place of beginning.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

WITNESS the signature of the State Engineer, affixed

this 28th day of July, 1955.

.....
LEWIS A. FANLEY State Engineer
