

STATE OF OREGON
COUNTY OF MARION
CERTIFICATE OF WATER RIGHT

This Is to Certify, That D. P. SLATER

of Rt. 1, Box 44, Scott Mills , State of Oregon , has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of an unnamed spring a tributary of Butte Creek for the purpose of irrigation under Permit No. 24197 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from May 7, 1956.

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.01 cubic foot per second,

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the NE¹/₄ NE¹/₄ as projected within Nowlen DLC #53, Section 22, Township 6 South, Range 1 East, W.M.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second per acre, or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2¹/₂ acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

2.0 acres in the NE¹/₄ NE¹/₄, as projected within Nowlen DLC #53
Section 22
Township 6 South, Range 1 East, W.M.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

WITNESS the signature of the State Engineer, affixed

this 28th day of March , 19 58 .

.....LEWIS A. STANLEY.....
State Engineer
