COUNTY OF JACKSON

CERTIFICATE OF WATER RIGHT

This Is to Certify, That MAY BELL M. LEE

of 171 South Stage Road, Medford, State of Oregon, has a right to the use of the waters of Humbug Creek, a tributary of Applegate River, for the purpose of irrigation

and that said right has been confirmed by decree of the Circuit Court of the State of Oregon for Jackson County, and the said decree entered of record at Salem, in the Order Record of the STATE ENGINEER, in Volume 4, at page 1; that the priority of the right thereby confirmed dates from 1901;

that the amount of water to which such right is entitled, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.23 cubic foot per second.

A description of the lands irrigated under such right, and to which the water is appurtenant (or, if for other purposes, the place where such water is put to beneficial use), is as follows:

16 acres in the SW 1/4 SW 1/4 Section 14, Township 38 South, Range 4 West, W. M.

NOTE: Certificate of water right issued to John Frederick Bergesch and recorded at page 16428, Volume 13, State Record of Water Right Certificates, confirms a right to the use of water for irrigation and placer mining. Subsequently, the right for placer mining was canceled by order of the State Engineer entered April 3, 1959, pursuant to the provisions of ORS 540.621. This certificate is issued to confirm the remaining right to the use of water for irrigation and supersedes the certificate heretofore issued to John Frederick Bergesch.

And said right shall be subject to all other conditions and limitations contained in said decree. The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.
