

STATE OF OREGON
WATER DIVISION No. 1, COUNTY OF LAKE

CERTIFICATE OF WATER RIGHT.

THIS IS TO CERTIFY that CHEWACAN LAND AND CATTLE COMPANY, a corporation, organized and existing under the laws of the State of California, whose post office address is Room 910 American National Bank Building, San Francisco, California, has a right to the use of the waters of Chewaucan River and its tributaries (a tributary of Lake Abert) for the purposes of irrigation, watering livestock and domestic use; that said right has been confirmed by decree of the Circuit Court of the State of Oregon in and for Lake County, and the said decree entered of record at Salem in the Order Record of the STATE WATER BOARD/ in Volume 4, at Page 1; that (except as and to the extent hereinafter otherwise declared) the priority of the right hereby confirmed dates from 1901; that the amount of water to which such right is entitled and hereby confirmed for the purposes aforesaid is, by the terms of said Decree, limited so that it shall not exceed

- (1) as respects water for irrigation, an aggregate quantity of water in each irrigation season (being the period in each year commencing January 1st and ending July 15th, both dates included) equivalent in the aggregate to 3.9 acre feet per acre for each acre included in the lands here below described, such water to be diverted at a rate not exceeding that which will represent a flow of $1/25$ of one cubic foot per second of time for the number of acres contained in the lands here below described; and
- (2) as respects water for livestock and domestic purposes, such quantity of water (to be additional to that specified in the preceding subdivision (1) hereof, and to be used by the Chewacan Land and Cattle Company and other owners of the lands in the Upper and Lower Chewaucan Marshes, which are in said decree described as "marsh lands") as shall be sufficient for such purposes and to prevent complete freezing, not however to exceed in the aggregate a flow of 40 cubic feet per second of time during the period between the 15th day of October of each year and the first day of March of the succeeding year, and not exceeding in the aggregate a flow of 20 cubic feet per second of time during the period from the 15th day of July to the 15th day of

October of each year; provided that no owner of any of the lands situate in the Upper or Lower Chewaucan Marshes, which are in said decree described as "marsh lands", shall be entitled to require more than 25 cubic feet of water per second of time (in addition to the water which may be diverted by Chewaucan Land and Cattle Company as provided in Subdivision (1) hereof) to be diverted through the Center Canal and Outside Canal of the Upper Chewaucan Marsh for use on any such lands at any time between the 15th day of October in any year and the first day of March of the succeeding year; and provided further that during such time as water is actually used by Chewaucan Land and Cattle Company for irrigation on the lands here below described, the water required by it on said lands for domestic and stock purposes shall be derived from the amount diverted and allowed for irrigation (as specified in subdivision (1) hereof) except that the use by said Chewaucan Land and Cattle Company upon said lands during the months of January and February on any part of the freshet flow of the Chewaucan River for irrigation shall not affect its right to divert in addition, during any such period of use, the amount of water specified in this subdivision (2) as subject to diversion and use by it for livestock and domestic purposes.

That as between the following named persons and their respective successors in interest, namely: Chewaucan Land and Cattle Company, a corporation, Fred T. Elsey, Wm. H. Hotchkiss, Christina Schmidt and William Schmidt, E. S. McDonald and J. B. Elder, A. C. Hotchkiss, Frances J. Snider and Anna F. Jones as executrices of the last will and testament of George M. - (a) The rights of said persons respectively to divert and use waters of the Chewaucan River for domestic and stock purposes have equal priority and a priority as of the year 1878;

- (b) the right of Brattain Bros, a corporation, to use the waters of said river, diverted through Bagley Ditch, for the irrigation of 676 acres described in the Proof of Claim numbered 13 which is referred to in said Decree, is prior in time and right to any right of Chewacan Land and Cattle Company or of William H. Hotchkiss to divert water for the irrigation of any lands owned by either of said parties at the date of said Decree; and

The right to the use of the water aforesaid and hereby confirmed is restricted to the lands or place of use herein described; but the designation herein of the Chewaucan River as the stream from which water may be diverted for use upon the lands above described includes the defluent branches of said stream, and the quantity of water which may be diverted by said Chewacan Land and Cattle Company for use on the lands above described may be by it diverted or applied to any part of said lands by or through any of the irrigation and distribution works mentioned in the first column of the above tabulated statement; and need not be diverted for or applied to any particular part of said lands through the particular works specified in said first column of said tabulated statement as those through or by which the diversion of water to particular areas of such lands is effected.
