

STATE OF OREGON  
COUNTY OF      LINCOLN  
**CERTIFICATE OF WATER RIGHT**

**This Is to Certify, That      LUKE GIDLEY**

of Waldport      , State of Oregon      , has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of an unnamed stream

a tributary of      Alsea River      for the purpose of irrigation of 0.8 acre

under Permit No. 24605 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from      October 26, 1956,

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.01 cubic foot per second

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the NW $\frac{1}{4}$  SW $\frac{1}{4}$ , Section 27, T. 13 S., R. 11 W., W. H.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second per acre, or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 $\frac{1}{2}$  acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

0.8 acre NW $\frac{1}{4}$  SW $\frac{1}{4}$   
Section 27  
T. 13 S., R. 11 W., W. H.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

WITNESS the signature of the State Engineer, affixed

this date.      AUGUST 10 1963

CHRIS L. WHEELER

-----  
State Engineer
