STATE OF OREGON

COUNTY OF MAIHEUR

CERTIFICATE OF WATER RIGHT

This Is to Certify, That

JOHN I. WELLS

of Payette , State of Idaho , has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of

a well

a tributary of Snake River (Columbia River)

for the purpose of

irrigation of 17.3 acres

under Permit No. G-1581 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from April 19, 1960,

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed

0.22 cubic foot per second

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the SE\(\frac{1}{4}\), Section 10, T. 18 S., R. 17 E., W. M. Well located 17.5 chains North and 29.5 chains East from center of Section 10.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second per acre, or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall

conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

17.3 acres SE¹ NE¹ Section 10
T. 18 S., R. L7 E., W. M.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

WITNESS the signature of the State Engineer, affixed

this date. AUGUST 1 9 1982

CHRIS L. WHEELER

State Engineer
