STATE OF OREGON

COUNTY OF JACKSON

CERTIFICATE OF WATER RIGHT

This Is to Certify, That FRANCIS W. & BELLE COX

of 938 Oak Street, Ashland , State of Oregon , has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of a well

a tributary of Rogue River supplemental irrigation of 2.8 acres

during the irrigation season of each year,

for the purpose of

under Permit No. G-1335 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from April 24, 1959

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.04 cubic foot per second

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the Ski NEi as projected within Million DIC 41, Section 4, T. 39 S., H. 1 E., W. M. Well located 30 feet S. and 784 feet E. from the NE corner of Helman DIC 40.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second per acre, or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed $2\frac{1}{2}$ acre feet per acre for each acre irrigated

and shall

conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

2.8 acres SW NE as projected within Million DLC 41
Section 4
T. 39 S., R. 1 E., W. M.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

WITNESS the signature of the State Engineer, affixed

this date. May 24, 1965

CHPIS L. WHEELER

State Engineer
