NOTE: Certificate of water right issued to Beaver Improvement and Power Company and recorded at page 1787, Volume 2, State Record of Water Right Certificates, confirms a right to the use of water for domestic and the development of power. Subsequently, the right to the use of 2.59 cubic feet per second for the development of power has expired and the place of use and type of use for the remaining right was transferred by order of the State Engineer entered June 13, 1927. This certificate is issued to confirm a change in place of use and type of use as provided by an order of the State Engineer entered June 22, 1965, and supersedes the certificate heretofore issued to Beaver Improvement & Power Company.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

WITNESS the signature of the State Engineer, affixed

this date. July 19, 1966

CHRIS L. WHEELER

State Engineer
