STATE OF OREGON

COUNTY OF YAMHILL

CERTIFICATE OF WATER RIGHT

This Is to Certify, That

R. E. WOOD and NINA W. WOOD

of Route 1, Box 214, Newberg , State of Oregon , has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of an unnamed spring

a tributary of Chehalem Creek drainage for the purpose of domestic use of one family, including irrigation of not to exceed ½ acre lawn and garden

under Permit No. 28568 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from December 7, 1962

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.005 cubic foot per second

or its equivalent is case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the Lot 6 (NN_{h}^{1} SE $_{h}^{1}$), Section 27, T. 2 S., R. 3 W., W. M. Diversion point located 1050 feet North and 550 feet West from the NE Corner, Congers DLC 52.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to ---- of one cubic foot per second per acre,

and shall

conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

Swi NE 1 Section 27 T. 2 S., R. 3 W., W. M.

Subject to terms and conditions of Decree of the Circuit Court for Yamhill County entered October 12, 1964.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

WITNESS the signature of the State Engineer, affixed

this date. June 28, 1968

CHRIS L. WHEELER

State Engineer
