## CERTIFICATE OF WATER RIGHT

This Is to Certify, That FRANK HILL

of Route 3, Weiser , State of Idaho , has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of Snake River

a tributary of Columbia River irrigation of 45.9 acres

for the purpose of

under Permit No. 30733 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from September 9, 1965

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 1.15 cubic feet per second

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the Lot 1 (SWL NWL), Section 10, T. 16 S., R. 47 E., W. M. Diversion point located 730 feet East and 320 feet North from the WL Corner, Section 10.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to one-fortieth of one cubic foot per second per acre, or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 4 acre feet per acre for each acre irrigated during the irrigation season of each year;

and shall

conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

15.9 acres NEL SEL
Section 9

6.0 acres Lot 1 (SW NW NW NW )
24.0 acres NW SW SW Section 10
T. 16 S., R. 47 E., W. M.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

WITNESS the signature of the State Engineer, affixed

this date. October 13, 1969

CHRIS L. WHEELER

State Engineer
