right existing for the same lands, shall be limited to one-fortieth of one cubic foot per second
per acre, or its equivalent for each acre irrigated and shall be further limited
to a diversion of not to exceed 3 acre feet per acre for each acre irrigated
during the irrigation season of each year; and the right allowed herein shall
be subject to prior existing rights of the Klamath Project of the BLM U.S.
Dept. of Interior, and appropriation of water as authorized herein shall be
subject to the construction and maintenance of a suitable outlet in any reser-
voir or diversion dam operated in connection with this appropriation to allow
free passage of the natural flow of the stream, and shall
conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is
appurtenant, is as follows:
