STATE OF OREGON

COUNTY OF UMATILLA

CERTIFICATE OF WATER RIGHT

This Is to Certify, That CHARLES J. NAGELE

97801

of 1702 SW Goodwin Place, Pendleton , State of Oregon , has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of Waste Water

a tributary of Little Walla Walla River supplemental irrigation of 0.7 acre

for the purpose of

under Permit No. 32560 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from July 28, 1967

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.03 cubic foot per second

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the SWk SWk, Section 34, T. 6 N., R. 35 E., W. M., 400 feet North and 1020 feet East from SW Corner, Section 34.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to .0.0375 of one cubic foot per second per acre, or its equivalent for each acre irrigated and shall be limited to the water available at the proposed point of diversion, and shall not carry with it the right to compel the continuance of the waste water,

and shall

conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

0.7 acre SW1 SW1 Section 34 T. 6 N., R. 35 E., W. M.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

WITNESS the signature of the State Engineer, affixed

this date. September 19, 1974

Chris L. Wheeler
State Engineer
