## STATE OF OREGON

COUNTY OF WALLOWA

## CERTIFICATE OF WATER RIGHT

## This Is to Certify, That ROY M. LEVERENZ

97885

of Route 1, Box 47, Wallowa, State of Oregon, has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of Dry Creek Branch

a tributary of Dry Creek (Wallowa River) irrigation of 19.5 acres

for the surpose of

under Permit No. 35737 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from Kovember 9, 1970

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.25 cubic foot per second

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the NW% SE%, Section 33, T. 2 N., R. 42 E., W. M., 1310 feet South and 1300 feet West from E% Corner, Section 33.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to one-fortieth of one cubic foot per second per acre, or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3½ acre feet per scre for each acre irrigated during the irrigation season of each year;

and shall

conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

O.l acre NE% SW%
19.4 acres NW% SE%
Section 33
T. 2 N., R. 42 E., W. M.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described.

WITNESS the signature of the State Engineer, affixed

this date. November 21, 1974

Chris L. Wheeler

State Engineer
