An order of the State Engineer entered September 3, 1963, canceled the right for the irrigation of 4.59 acres and an order of the Water Resources Director entered July 16, 1975 approved a change in point of diversion for the irrigation of 56.0 acres. This certificate is issued to confirm the remaining right not canceled and not involved in the change and supersedes the certificate heretofore issued to Edw. W. Coles recorded at Page 4073, Volume 5, State Record of Water Right Certificates.

And said right shall be subject to all other conditions and limitations contained in said decree. The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described, and is subject to the existing minimum flow policies established by the Water Policy Review Board. WITNESS the signature of the Water Resources Director, affixed
