STATE OF OREGON

COUNTY OF

LINCOLN

CERTIFICATE OF WATER RIGHT

This Is to Certify, That

ALBERT HOOKSTRA

of Rt. 1 Box 221, Otis , State of Oregon, 97368 , has made proof to the satisfaction of the Water Resources Director, of a right to the use of the waters of Baxter Creek

a tributary of Salmon River domestic use for one family

for the purpose of

under Permit No. 22277 and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from May 18, 1953

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.01 cubic foot per second

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the SE's SW's, Section 30, T. 6 S., R. 10 W., W. M., 870 feet North and 1400 feet East from the SW Corner of Section 30.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to————————— of one cubic foot per second per acre,

and shall

conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

SE% SW% Section 30 T. 6 S., R. 10 W., W. M.

This certificate is issued to confirm a change in point of diversion approved November 15, 1971 and supersedes certificate of water right 20950.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described and is subject to the existing minimum flow policies established by the Water Policy Review Board.

WITNESS the signature of the Water Resources Director, affixed

this date. March 9, 1977

James E. Sexson

Water Resources Director
