

STATE OF OREGON

COUNTY OF

KLAMATH

CERTIFICATE OF WATER RIGHT

This Is to Certify, That**STILES ENTERPRISES, INC. DBA:
CUSTOM ROCK & PAVING**

of Box 217, Klamath Falls, State of Oregon, 97601, has made proof to the satisfaction of the Water Resources Director, of a right to the use of the waters of a well

a tributary of Klamath River for the purpose of air pollution control in asphalt and rock crushing plants

under Permit No. G-5144 and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from January 21, 1971

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.62 cubic foot per second

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the SW $\frac{1}{4}$ NW $\frac{1}{4}$, Section 11, T. 39 S., R. 8 E., W. M., 1273 feet North and 1147 feet East from the SW Corner of NW $\frac{1}{4}$ of Section 11

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to ----- of one cubic foot per second per acre,

and shall conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

Asphalt Plant
NE $\frac{1}{4}$ NW $\frac{1}{4}$

Rock Crusher
NW $\frac{1}{4}$ NW $\frac{1}{4}$

Section 11
T. 39 S., R. 8 E., W. M.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described, and is subject to the existing minimum flow policies established by the Water Policy Review Board.

WITNESS the signature of the Water Resources Director, affixed

this date. October 17, 1977

James E. Sexson

Water Resources Director
