Section 32

T. 38 S., R. 2 W., W. M.

This certificate describes that portion of the water right confirmed by the prior certificate recorded on page 28318, Volume 20, State Record of Water Right Certificates, NOT modified by the provisions of an order of the Water Resources Director entered on January 20, 1971, approving transfer application No. 2414. It also confirms a change in place of use approved by the same order and correctly describes the area of use which was erroneously described in said certificate.

Although this certificate supersedes certificate 28318, it does not confirm the status of the water right with reference to ORS 540.610.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described. and is subject to the existing minimum flow policies established by the Water Policy Review Board.

WITNESS the signature of the Water Resources Director, affixed

this date. May 1, 1978
