COUNTY OF TILLAMOOK

CERTIFICATE OF WATER RIGHT

**This is to Certify, That J. C. STULTS**

of Tillamook, State of Oregon, has made proof to the satisfaction of the STATE WATER BOARD of Oregon, of a right to the use of the waters of Bummer Creek, a tributary of Beaver Creek for the purpose of the irrigation of 12 acres under Permit No. 1901 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon and duly confirmed by order of the STATE WATER BOARD of Oregon, made and entered of record in the Record of Proceedings of said Board, at Salem, in Volume One, at page 236, on the 8th day of February, 1917; that the priority of the right hereby confirmed dates from February 7, 1914;

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.15 cubic feet per second, or its equivalent in case of rotation. The use hereunder for irrigation shall conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the lands under such right, and to which the water hereby confirmed is appurtenant, or, if for other purposes, the place where such water is put to beneficial use, is as follows:

Twelve acres in the Northwest Quarter of Southeast Quarter of Section Seventeen (17), Township Three (3) South, Range Nine (9) West of Willamette Meridian, in Tillamook County, Oregon.

(NOTE: This certificate is issued to correct and supersede that certain certificate issued to Jay Baker, of Hemlock, Oregon, on March 5th, 1917, and recorded in State Record of Water Right Certificates Volume 2, page 1376, and on page 28, of Volume 1, Book of Water Right Certificates of Tillamook County, the land described in said former certificate having been erroneously described as being in the Northwest quarter of Southeast quarter of Section Seventeen, Township Three South, Range Ten West, whereas in fact said land is located in the Northwest quarter of Southeast quarter of Section Seventeen, Township Three South, Range Nine West of Willamette Meridian.)

The right to the use of the water for irrigation purposes is restricted to the lands or place of use herein described.

Rights to the use of water for power purposes are limited to a period of forty years from the date of priority of the right, as herein set forth, subject to a preference right of renewal under the laws existing at the date of the expiration of the right for power purposes, as hereby confirmed and limited.
