

STATE OF OREGON

COUNTY OF Morrow

CERTIFICATE OF WATER RIGHT

This is to Certify, That W. H. Gould,

of Lexington, State of Oregon, has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of Sand Hollow a tributary of Sand Lake for the purpose of irrigation under Permit No. 3757 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from April 10, 1918;

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.09 cubic foot per second.

The use hereunder for irrigation shall conform to such reasonable rotation system as may be ordered by the proper state officer.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second per acre, or its equivalent in case of rotation.

A description of the lands irrigated under the right hereby confirmed, and to which such right is appurtenant (or, if for other purposes, the place where the water is put to beneficial use), is as follows: Three and 35/100 acres in the Southwest Quarter of Southwest Quarter and Four acres in the Northwest Quarter of Southwest Quarter of Section Fourteen (14), Township One (1) North, Range Twenty-six (26) East of Willamette Meridian in Morrow County, Oregon.

The right to the use of the water for irrigation purposes is restricted to the lands or place of use herein described.

Rights to the use of water for power purposes are limited to a period of forty years from the date of priority of the right, as herein set forth, subject to a preference right of renewal under the laws existing at the date of the expiration of the right for power purposes, as hereby confirmed and limited.

WITNESS the signature of the State Engineer,

affixed this 1st day
of December, 1923.

Rhea Luper,
State Engineer.
