

STATE OF OREGON

COUNTY OF JEFFERSON

CERTIFICATE OF WATER RIGHT

This is to Certify, That CURTIS P. BAILEY

of Portland, State of Oregon, has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of Big Spring and Eagle Creek a tributary of Metolius River for the purpose of new and supplemental irrigation under Permit No. 3077 of the State Engineer, and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from August 21, 1916

that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 1.15 cubic feet per second.

The use hereunder for irrigation shall conform to such reasonable rotation system as may be ordered by the proper state officer.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second per acre, or its equivalent in case of rotation.

A description of the lands irrigated under the right hereby confirmed, and to which such right is appurtenant (or, if for other purposes, the place where the water is put to beneficial use), is as follows: 4 acres in the Northwest Quarter of Southeast Quarter; 30 acres in the Northeast Quarter of Southeast Quarter; 30 acres in the Southeast Quarter of Northeast Quarter of Section Nine and 28 acres in the Southwest Quarter of Northwest Quarter of Section Ten, Township Twelve South, Range Nine East of Willamette Meridian, in Jefferson County, Oregon. Being a total of 92 acres.

† Note: This certificate is issued to correct and supersede that certain certificate issued April 25, 1922 under the above permit, and recorded in State Record of Water Right Certificates, Volume 4, page 3570, and at page 011203 of Record of Water Rights of Jefferson County, for the purpose of making the description of the water right more definite as to the sources of supply from which water is appropriated for the above described land †

The right to the use of the water for irrigation purposes is restricted to the lands or place of use herein described.

Rights to the use of water for power purposes are limited to a period of forty years from the date of priority of the right, as herein set forth, subject to a preference right of renewal under the laws existing at the date of the expiration of the right for power purposes, as hereby confirmed and limited.

WITNESS the signature of the State Engineer,

affixed this 15th day
of December, 192 3.

Reas Luper.
State Engineer.
