CERTIFICATE OF WATER RIGHT

This Is to Certify, That MARGARET K. WOOD GOREE

of 1843 Applegate Avenue, Grants Pass, State of Oregon 97526, has made proof to the satisfaction of the Water Resources Director, of a right to store the waters of spring stream and two intermittent drainageways, tributaries of Louse Creek, appropriated under Permit 36269 in Azalea Ponds 1, 2 and 3

under Reservoir Permit No. R-5874, and that said right to store said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from June 7, 1971

that the amount of water entitled to be stored each year under such right, for the purposes aforesaid, shall not exceed 1.05 acre-feet, being 0.2 acre-foot for fish culture and 0.3 acre-foot for irrigation from spring stream in Pond 1, 0.2 acre-foot for*

In processing the application towards issuance of the permit, it appears that a clerical error was inadvertently made in limiting the storage of water in Pond 1 for irrigation to 0.5 acre-foot. In the issuance of this certificate, the storage of water in Pond 1 for irrigation has been reduced to 0.3 acre-foot, in keeping with the customary policy and determination of this office of the proper maximum limits.
