

STATE OF OREGON

COUNTY OF

UMATILLA

CERTIFICATE OF WATER RIGHT

This is to certify, That DORIS E. RICHARDS

of 712 N.E. Highway 11, Pendleton, State of Oregon 97801, has made proof to the satisfaction of the Water Resources Director, of a right to the use of the waters of O'Brien Spring

a tributary of Umatilla River for the purpose of irrigation of 1.0 acre

under Permit No. 41710 and that said right to the use of said waters has been perfected in accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from

April 14, 1977 that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed 0.01 cubic foot per second

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of diversion is located in the SW 1/4 SE 1/4, Section 1, T2N, R32E, W4; 1180 feet North and 1650 feet West from SE corner, Section 1.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second per acre, or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3.0 acre-feet per acre for each acre irrigated during the irrigation season of each year

and shall conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is appurtenant, is as follows:

1.0 acre SW 1/4 SE 1/4
Section 1
Township 2 North, Range 32 East, W4

In processing the application toward issuance of the permit, it appears that a clerical error was inadvertently made in listing the source of the proposed appropriation as the Umatilla River, when the application listed O'Brien Spring as the intended source. In the issuance of this certificate, the source is being corrected to O'Brien Spring, in keeping with the customary policy of this office.

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use herein described and is subject to minimum flows established by the Water Policy Review Board with an effective date prior to this right.

WITNESS the signature of the Water Resources Director, affixed

this date. August 27, 1985
