In processing the application towards issuance of the permit, it appears that a clerical error was inadvertently made in listing the priority dates as January 7, 1976 for 2.0 cfs, and February 23, 1976 for 5.8 cfs. In the issuance of this certificate, the dates of priority are being corrected to January 7, 1977 for 2.0 cfs and February 23, 1977 for 5.35 cfs, the dates the applications were received in this office and the maximum allowable quantities of water.
