

STATE OF OREGON

COUNTY OF                      BAKER

CERTIFICATE OF WATER RIGHT

**This is to certify, That**            U.S. WALLOWA-WHITMAN NATIONAL FOREST

of Pine Ranger Station, Halfway                      , State of Oregon 97834            , has made  
proof to the satisfaction of the Water Resources Director, of a right to the use of the waters of  
North Pine Rest Stop Spring

a tributary of            North Pine Creek                      for the purpose of  
rest stop drinking water

under Permit No.            47737            and that said right to the use of said waters has been perfected in  
accordance with the laws of Oregon; that the priority of the right hereby confirmed dates from  
September 22, 1980  
that the amount of water to which such right is entitled and hereby confirmed, for the purposes aforesaid, is  
limited to an amount actually beneficially used for said purposes, and shall not exceed  
0.5 gallon of water per minute

or its equivalent in case of rotation, measured at the point of diversion from the stream. The point of  
diversion is located in the            SW 1/4 SW 1/4, Section 2, T7S, R47E, WM;  
100 feet North and 200 feet East from SW Corner, Section 2.

The amount of water used for irrigation, together with the amount secured under any other right  
existing for the same lands, shall be limited to            ----- of one cubic foot per second per  
acre,

and shall  
conform to such reasonable rotation system as may be ordered by the proper state officer.

A description of the place of use under the right hereby confirmed, and to which such right is  
appurtenant, is as follows:

SW 1/4 SW 1/4  
Section 2  
Township 7 South, Range 47 East, WM

The right to the use of the water for the purposes aforesaid is restricted to the lands or place of use  
herein described and is subject to minimum flows established by the Water Resources Commission with an  
effective date prior to this right.

WITNESS the signature of the Water Resources Director, affixed  
this date.    June 25, 1986

...../s/ WILLIAM H. YOUNG.....  
Water Resources Director
