

STATE OF OREGON

COUNTY OF COOS

CERTIFICATE OF WATER RIGHT

This is to Certify, That **Harriet L. Zimmerman**of **Myrtle Point**, State of **Oregon**, has made proof to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of

Two Springs
 a tributary of **Creek flowing into Coquille** for the purpose of (See note below)
 under Permit No. **5631** of the State Engineer, and that said right to the use of said waters
 has been perfected in accordance with the laws of Oregon; that the priority of the right hereby
 confirmed dates from **August 20, 1921;**

that the amount of water to which such right is entitled and hereby confirmed, for the purposes
 aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed
100 gallons in 24 hours;

The use hereunder for irrigation shall conform to such reasonable rotation system as may be
 ordered by the proper state officer.

The amount of water used for irrigation, together with the amount secured under any other
 right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second per
 acre, or its equivalent in case of rotation.

A description of the lands irrigated under the right hereby confirmed, and to which such
 right is appurtenant (or, if for other purposes, the place where the water is put to beneficial
 use), is as follows: **Northwest Quarter of the Southeast Quarter (NW $\frac{1}{4}$ SE $\frac{1}{4}$) of Section
 Nine (9), Township Twenty-nine South, Range Twelve West of the Willamette
 Meridian, in Coos County, Oregon.**

(Note: The right herein granted is limited to the appropriation of 100 gallons
 of water in 24 hours from two springs located on land now owned by Sol. Bingham
 for domestic use including stock use only when this quantity of water is avail-
 able from the source of supply in excess of the water that can be applied to a
 beneficial use for domestic and stock purposes by the owners of the land upon
 which it rises, as set forth in the order of the State Water Board dated
 September 23, 1922.)

The right to the use of the water for irrigation purposes is restricted to the lands or place of
 use herein described.

Rights to the use of water for power purposes are limited to a period of forty years from
 the date of priority of the right, as herein set forth, subject to a preference right of renewal under
 the laws existing at the date of the expiration of the right for power purposes, as hereby con-
 firmed and limited.

WITNESS the signature of the State Engineer,

affixed this **15th** dayof **February**, 192**6**.

.....**Rhea Luper,**.....
 State Engineer.
