This certificate is issued subject to the terms and conditions of a stipulation between the Lakeview Water Users Inc. and R. T. Renner, a copy of which can be found in the files of the Water Resources Department.

This certificate describes that portion of the water right confirmed by prior certificate 20626 State Record of Water Right Certificates, NOT canceled by the provisions of an order of the Water Resources Director entered on DECEMBER 9, 1988.

The issuance of this superseding certificate does not confirm the status of the water right in regard to the provisions of ORS 540.610 pertaining to forfeiture or abandonment.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described. The use confirmed herein may be made only at times when sufficient water is available to satisfy all prior rights, including rights for maintaining instream flows.

WITNESS the signature of the Water Resources Director, affixed APRIL 22, 1991.
