The use of water under this right shall be further limited to appropriation of water only to the extent that it does not impair or substantially interfere with prior ground water rights of others, and limited to the appropriation of water only to the extent that such appropriation does not interfere with or deplete the flow of Bear Creek or any tributary thereof; any depletion of surface waters will require the well to be shut down, since use of the waters of Bear Creek and tributaries thereof have been withdrawn from further appropriation except for beneficial uses involving water legally stored in excess of the amount necessary for existing rights.

This right is issued subject to the maintenance and use of adequate treatment facilities to remove the sediment before returning water to any stream.

The right to use water for the above purpose is restricted to beneficial use on the lands or place of use described.
