This certificate describes that portion of the water right confirmed by Certificate 51331 State Record of Water Right Certificates, NOT modified by the provisions of an order of the Water Resources Director entered on January 10, 1996 and recorded in Special Order Volume 50, page 14 approving a petition by Eagle Point Irrigation District under ORS 541.329. This certificate also corrects Certificate 51331 and diminishes 2.0 acres from irrigation to supplemental irrigation.

The issuance of this superseding certificate does not confirm the status of the water right in reference to ORS 540.610 pertaining to forfeiture or abandonment.

The right to the use of the water for the above purposes is restricted to beneficial use on the lands or place of use described and is subject to all other conditions and limitations contained in said permit.

Witness the signature of the Water Resources Director,

affixed January 11, 1996
