The storage of water allowed herein is subject to the installation and maintenance of an outlet pipe, with
a minimum diameter of 8", or the provision of other means to evacuate water when determined necessary
for public safety or to satisfy prior downstream rights as determined by the Water Resources Director.

The right to store and use the water for the above purpose is restricted to beneficial use at the place of
use listed above.

WITNESS the signature of the Water Resources Director, affixed **FEBRUARY 27, 1996.**

Martha O. Pagel
