The well shall be maintained in accordance with the General Standards for the Construction and Maintenance of Water Wells in Oregon.

When required by the department, the user shall install and maintain a weir, meter or other suitable measuring device and shall keep a complete record of the amount of ground water withdrawn.

The Director may require water level or pump test results every ten years.

The use granted herein may be made only at times when sufficient water is available to satisfy all prior rights.

Failure to comply with any of the provisions of this right may result in action including, but not limited to restrictions on the use, civil penalties, or cancellation of the right.

This right is for the beneficial use of water without waste. The water user is advised that new regulations may require the use of best practical technologies or conservation practices to achieve this end.

The right to use water for the above purpose is restricted to beneficial use on the lands or place of use described.

WITNESS the signature of the Water Resources Director, affixed SEPTEMBER 29 ,
1996.
