

STATE OF OREGON

COUNTY OF JOSEPHINE

CERTIFICATE OF WATER RIGHT

This is to Certify, That Golden Mary Mining Company
 of Grants Pass, State of Oregon, has made proof
 to the satisfaction of the STATE ENGINEER of Oregon, of a right to the use of the waters of
A Spring
 a tributary of Jewett Creek for the purpose of Irrigation & Domestic
 under Permit No. 7896 of the State Engineer, and that said right to the use of said waters
 has been perfected in accordance with the laws of Oregon; that the priority of the right hereby
 confirmed dates from April 21, 1927;

that the amount of water to which such right is entitled and hereby confirmed, for the purposes
 aforesaid, is limited to an amount actually beneficially used for said purposes, and shall not exceed
0.1 cubic foot per second;

The use hereunder for irrigation shall conform to such reasonable rotation system as may be
 ordered by the proper state officer.

The amount of water used for irrigation, together with the amount secured under any other
 right existing for the same lands, shall be limited to one-eightieth of one cubic foot per second per
 acre, or its equivalent in case of rotation.

A description of the lands irrigated under the right hereby confirmed, and to which such
 right is appurtenant (or, if for other purposes, the place where the water is put to beneficial use),
 is as follows: 2 acres in the SW-1/4 of Section Thirty-three (33), Township
Thirty-six South, Range Five West of the Willamette Meridian, in Josephine
County, Oregon.

The right to the use of the water for irrigation purposes is restricted to the lands or place of
 use herein described.

Rights to the use of water for power purposes are limited to a period of forty years from
 the date of priority of the right, as herein set forth, subject to a preference right of renewal under
 the laws existing at the date of the expiration of the right for power purposes, as hereby con-
 firmed and limited.

WITNESS the signature of the State Engineer,

affixed this 22nd day
 of August, 1927.

REBA LUPER,
 State Engineer.
