R-64337

Certificate Number 77448

The storage of water allowed herein is subject to the installation and maintenance of an outlet pipe, or the provision of other means to evacuate water when determined necessary by the Water Resources Director to satisfy prior downstream rights.

The right to store and use the waters for the above purpose is restricted to beneficial use at the place of use described.

WITNESS the signature of the Water Resources Director,
November 9, 2001.

Paul R. Cleary

Recorded in State Record of Water Right Certificates numbered 77448.
