

STATE OF OREGON

COUNTY OF JOSEPHINE

CERTIFICATE OF WATER RIGHT

THIS CERTIFICATE ISSUED TO

MARTIN B. HIRSCH  
1100 PANTHER GULCH RD.  
WILLIAMS, OR 97544

confirms the right to store the waters of AN UNNAMED STREAM, a tributary of WILLIAMS CREEK WITHIN THE ROGUE RIVER BASIN, in RESERVOIR A, for LIVESTOCK AND WILDLIFE.

The right to store these waters was perfected under Reservoir Permit R-11935. The date of priority is JANUARY 19, 1996. The amount of water entitled to be stored each year under this right is not more than 0.22 ACRE-FOOT. The appropriation of water for storage is limited to the period of JANUARY 1 through MARCH 31 of each year.

THE AREA SUBMERGED BY THE RESERVOIR IS LOCATED AS FOLLOWS:

NE 1/4 SE 1/4  
SECTION 2  
TOWNSHIP 39 SOUTH, RANGE 5 WEST, W.M.

Measurement, recording and reporting conditions:

- A. The Director may require the water user to install a meter or other suitable measuring device as approved by the Director. If the Director notifies the water user to install a meter or other measuring device, the water user shall install such device within the period stated in the notice. Such installation period shall not be less than 90 days unless special circumstances warrant a shorter installation period. Once installed, the water user shall maintain the meter or measuring device in good working order and shall allow the watermaster access to the meter or measuring device. The Director may provide an opportunity for the water user to submit alternative measuring procedures for review and approval.
- B. The Director may require the water user to keep and maintain a record of the amount (volume) of water used and may require the water user to report water use on a periodic schedule as established by the Director. In addition, the Director may require the water user to report general water use information, the periods of water use and the place and nature

This is a final order in other than contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review of the order must be filed within the 60 days of the date of service.

of use of water under the right. The Director may provide an opportunity for the water user to submit alternative reporting procedures for review and approval.

Under the terms of this right, a minimum flow of 1.0 cfs must by-pass the diversion point before water may be diverted for storage.

The water user may be required in the future to install, maintain, and operate fish screening and by-pass devices as required by the Oregon Department of Fish and Wildlife to prevent fish from entering the diversion.

#### STANDARD CONDITIONS

The storage of water allowed herein is subject to the installation and maintenance of an outlet pipe, or the provision of other means to evacuate water when determined necessary by the Water Resources Director to satisfy prior downstream rights.

Failure to comply with any of the provisions of this right may result in action including, but not limited to, restrictions on the use, civil penalties, or cancellation of the right.

This right is for the beneficial use of water without waste. The water user is advised that new regulations may require the use of best practical technologies or conservation practices to achieve this end.

By law, the land use associated with this water use must be in compliance with statewide land-use goals and any local acknowledged land-use plan.

The use confirmed herein may be made only at times when sufficient water is available to satisfy all prior rights, including rights for maintaining instream flows.

The Director finds the use of water described by this right, as conditioned, will not impair or be detrimental to the public interest.

Issued July 1, 2003

  
Paul R. Cleary, Director  
Water Resources Department

NOTE: Pursuant to ORS 537.330, in any transaction for the conveyance of real estate that includes any portion of the lands described in this right, the seller of the real estate shall, upon accepting an offer to purchase that real estate, also inform the purchaser in writing whether any permit, transfer approval order, or certificate evidencing the water right is available and that the seller will deliver any permit, transfer approval order or certificate to the purchaser at closing, if the permit, transfer approval order or certificate is available.
