

STATE OF OREGON
COUNTY OF HOOD RIVER
CERTIFICATE OF WATER RIGHT

THIS CERTIFICATE ISSUED TO

EAST FORK IRRIGATION DISTRICT
P.O. BOX 162
ODELL, OREGON 97044

confirms the right to use the waters of the EAST FORK HOOD RIVER, a tributary of HOOD RIVER, for IRRIGATION OF 25.0 ACRES.

This right was perfected under Permit 32685. The date of priority is JUNE 14, 1967. The amount of water to which this right is entitled is limited to an amount actually beneficially used and shall not exceed 0.31 CUBIC FOOT PER SECOND, or its equivalent in case of rotation, measured at the point of diversion from the source.

The point of diversion is located as follows:

NW 1/4 SW 1/4, SECTION 4, TOWNSHIP 1 SOUTH, RANGE 10 EAST, W.M.; 3750 FEET SOUTH AND 430 FEET EAST FROM THE NW CORNER OF SECTION 4.

The amount of water used for irrigation, together with the amount secured under any other right existing for the same lands, is limited to ONE-EIGHTIETH of one cubic foot per second per acre, or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3.0 acre-feet per acre for each acre irrigated during the irrigation season of each year.

In processing the application towards issuance of the permit, it appears that a clerical error was inadvertently made in limiting the duty of water to not exceed 1/80th of one cubic foot per second of water per acre and 4.0 acre-feet per acre. In the issuance of this certificate, the duty of water has been corrected to 1/80th cubic foot per second per acre and 3.0 acre-feet per acre of water, for each acre irrigated during the irrigation season of each year, in keeping with the customary policy and determination this office setting the proper maximum limits of the right.

This is a final order in other than contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review of the order must be filed within the 60 days of the date of service.
