This Certificate confirms an order of the Director entered on August 15, 2005, and recorded in Special Order Volume 66, Page 51, approving a petition by Ridgeview Irrigation District under ORS 541.329 for mapping 6,077.20 acres of water rights within the district. A previous order approving the petition, entered March 7, 2005, and recorded in Special Order Volume 63, Page 370, was withdrawn upon reconsideration by the Department. This certificate supersedes Certificate 75884.

This certificate also describes the perfection of a completed change in place of use of 707.70 acres from Gem Irrigation District to Ridgeview Irrigation District, both subunits of the South Board of Control, authorized by an order of the Water Resources Director approving transfer application T-9533 entered March 22, 2004, and recorded in Special Order Volume 59, Page 285.

The right to the use of the water for the above purposes is restricted to beneficial use on the lands or place of use herein described. The use confirmed herein may be made only at times when sufficient water is available to satisfy all prior rights, including rights for maintaining instream water rights.
