The instream right established by this allocation of conserved water shall replace a portion of instream water rights established pursuant to ORS 537.341 or 537.346 and shall be in addition to instream water rights established pursuant to ORS 537.348 or 537.470, unless otherwise specified by a subsequent order establishing a new instream water right.

This certificate is issued to confirm an ALLOCATION OF CONSERVED WATER approved by an order of the Water Resources Director recorded in Special Order Volume 63, Page 151, approving Conserved Water Application C-31, and together with the that portion of Transfer 9104 originating from Certificate 10719, supercedes Certificate 10719, State Record of Water Right Certificates.

WITNESS the signature of the Water Resources Director, affixed October 13, 2005

The right is subject to all other terms and conditions of Certificate 10719, and any related decree.

Phillip C. Ward, Director

This is a final order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60 day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080 you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.
