The well shall be maintained in accordance with the General Standards for the Construction and Maintenance of Water Wells in Oregon. The water user shall install and maintain a weir, meter, or other suitable measuring device and shall keep a complete record of the amount of ground water withdrawn.

This right, along with any other rights for wildlife habitat use on the same lands from the Edmunds well is limited to a total diversion of 1500 gpm.

NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60 day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied. In addition, under ORS 537.260 any person with an application, permit or water right certificate subsequent in priority may jointly or severally contest the issuance of the certificate at any time before it has issued, and after the time has expired for the completion of the appropriation under the permit, or within three months after issuance of the certificate.

The right to use water for the above purpose is restricted to beneficial use on the lands or place of use described.

The use of water shall be limited to appropriation of water only to the extent that it does not impair or substantially interfere with existing surface water rights of others.

WITNESS the signature of the Water Resources Director, affixed June 21, 2006.

Phillip C. Ward, Director
Water Resources Department
