This Certificate confirms an order of the Director entered on July 27, 2006, and recorded in Special Order Volume 69, Page 170, approving a petition by Ochoco Irrigation District under ORS 541.329 for mapping water rights within the district. The order diminishes the rights listed in Table I from irrigation to supplemental irrigation.

This certificate confirms the completion of Transfer Applications T-5941, T-7604, T-7605, T-7873, T-7874 and T-8648.

This certificate cumulatively supersedes the certificates listed in Table I. Table III describes the rights and confirms the place of use for the petitioned rights as supplemental irrigation.

This certificate also diminishes the duty for the rights petitioned under Certificates 50354 and 55977 from a duty of 6.0 acre feet to 4.0 acre feet per acre irrigated per year.

The right to the use of the water for the above purposes is restricted to beneficial use on the lands or place of use herein described.
