This certificate confirms that portion to the water rights described by Certificates 83310, 83311, 83315 and 83316 modified by the provisions of an order of the Water Resources Director entered on, MAY 17 2011, and recorded in Special Order Volume 84, Page 160, approving a petition by Powder Valley Water Control District under ORS 541.329 for mapping water rights within a district.

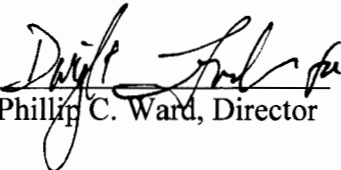

This certificate also corrects the scrivener's error contained in the certificate recorded at page 83311 State Record of Water Right Certificates. Certificate 83311 incorrectly identified Range 39 as Range 38.

The use shall conform to such reasonable rotation system as may be ordered by the proper state officer.

This certificate supersedes Certificates 83315 and 83316; and together with Certificate 83788 supersedes Certificates 83310 & 83311.

The right to the use of the water for the above purposes is restricted to beneficial use on the lands or place of use described and is subject to all other conditions and limitations contained in said decree.

WITNESS the signature of the Water Resources Director, affixed MAY 17 2011.

Phillip C. Ward, Director
