**CONDITIONS OF USE**

1. Diversion screening or fish passage facilities shall be operated to Oregon Department of Fish and Wildlife specifications.
2. Failure to comply with any of the provisions of this right may result in action including, but not limited to the restrictions on the use, civil penalties, or cancellation of the permit.
3. This right is for the beneficial use of water without waste. The water user is advised that new regulations may require the use of best practical technologies or conversation practices to achieve this end.
4. By law, the land use associated with this water use must be in compliance with statewide land-use goals and any local acknowledged land-use plan.
5. The right to use the water for the above purpose is restricted to beneficial use at the place of use described.

**NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW**

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied. In addition, under ORS 537.260 any person with an application, permit or water right certificate subsequent in priority may jointly or severally contest the issuance of the certificate at any time before it has issued, and after the time has expired for the completion of the appropriation under the permit, or within three months after issuance of the certificate.

6. The use of water allowed herein may be made only at times when sufficient water is available to satisfy all prior rights, including prior rights for maintaining instream flows.

Issued **APR 18 2008**

Phillip C. Ward, Director  
Water Resources Department
