SUBJECT: Copy of Document as received from Crook County Clerk on this date pertaining to "Correction Certificate of Water Right", purported to be filed in State Record of Water Right Certificates, Volume 1, page 845.

This document is NOT of record in this office, it was brought to our attention by the Boston Ranch Company. These listed certificates as noted on the photocopy from the County Clerk are correct, EXCEPT No. 622, 666, 675, 681 & 682 which contain this limitation, also Correction Certificates No. 1295, 30862 & 30863, which also contain the limitation.

This limitation pertaining to the period July 1 to September 15th pertains to the contest of Wallace Post, et. al. vs. David Stewart and J. W. Carlson, see Findings No. 11, at page 307 of Crooked River Decree, and does not refer to the actual irrigation season as set forth in the findings as Feb. 1st until December 1st. of each year.

This certified document purportedly corrects the listed certificates to conform with the irrigation season in the general findings, however as there is no record in the Record of Water Right Certificates to confirm it, these certificates can only be corrected upon request of the owners of the lands, payment of the recording fee, and the issuance by the State Engineer of a correction certificate for each.

Attached hereto is a list of these certificates which are referred to in the decree as being under Findings No. 11, the certificates as recorded with this Feb. 1 to September 15th. limitation and those as purported to have been corrected by this photo copy obtained from the recorded record of Crook County Clerk.

These certificates with this limitation are to be noted that this is in error and that they should conform with the irrigation season as set forth in the findings at page 308 of the Findings recorded at Volume 1, page 303.

This photo copy is to be filed in the State Record of Water Right Certificates, Volume 1, adjacent to page 845.
