NOTICE OF RIGHT TO PETITION FOR RECONSIDERATION OR JUDICIAL REVIEW

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied. In addition, under ORS 537.260 any person with an application, permit or water right certificate subsequent in priority may jointly or severally contest the issuance of the certificate at any time before it has issued, and after the time has expired for the completion of the appropriation under the permit, or within three months after issuance of the certificate.

CONDITIONS OF USE

1. The structure shall be operated and maintained in accordance with the approved plans, specifications and the design intent.
2. The outlet gate shall be cycled at least once each year in order to assure smooth operation.
3. The embankment and spillway channel shall be kept clear of trees, brush and other debris.
4. The embankment shall be kept free of burrowing animals.
5. The storage of water allowed herein is subject to the maintenance of an outlet pipe, or the provision of other means to evacuate water when determined necessary by the Director to satisfy prior downstream rights.
6. This right is for the beneficial use of water without waste.
7. By law, the land use associated with this water use must be in compliance with statewide land-use goals and any local acknowledged land-use plan.

Issued SEP 02 2008
