**NOTICE OF RIGHT TO RECONSIDERATION OR JUDICIAL REVIEW**

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

When required by the Department, the water user shall install and maintain a headgate, an in-line flow meter, weir, or other suitable device for measuring and recording the quantity of water diverted. The type and plans of the headgate and measuring device must be approved by the Department prior to beginning construction and shall be installed under the general supervision of the Department.

The water user shall maintain a fish screen at the new point of diversion.

This certificate is issued to confirm changes in POINT OF DIVERSION AND PLACES OF USE approved by an order of the Water Resources Director entered May 16, 2008, at Special Order Volume 74, Pages 892 through 901, approving Transfer Application T-6682, and supersedes Certificate 21820, State record of Water Right Certificates.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described.

Issued           MAY 10 2010          .
