This certificate describes that portion of the water right confirmed by Certificate 86394 State Record of Water Right Certificates, as modified by the provisions of an order of the Water Resources Director entered   **AUG 10 2010**  , approving Transfer Application T-10998 and diminishing a portion of this right.

The quantity of water diverted at the new points of appropriation shall not exceed the quantity of water lawfully available at the original point of appropriation.

The water user shall maintain in-line flow meters or other suitable devices for measuring and recording the quantity of water appropriated.

The issuance of this superseding certificate does not confirm the status of the water right in regard to the provisions of ORS 540.610 pertaining to forfeiture or abandonment.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described.

WITNESS the signature of the Water Resources Director, affixed           **AUG 10 2010**          .

  
 Phillip C. Ward, Director  
 Water Resources Department
