**NOTICE OF RIGHT TO RECONSIDERATION OR JUDICIAL REVIEW**

This is an order in other than a contested case. This order is subject to judicial review under ORS 183.484. Any petition for judicial review must be filed within the 60-day time period specified by ORS 183.484(2). Pursuant to ORS 536.075 and OAR 137-004-0080, you may either petition for judicial review or petition the Director for reconsideration of this order. A petition for reconsideration may be granted or denied by the Director, and if no action is taken within 60 days following the date the petition was filed, the petition shall be deemed denied.

The water user shall maintain a headgate, an in-line flow meter, weir, or other suitable device for measuring and recording the quantity of water diverted.

Water shall be acquired from the same surface water source as the original point of diversion.

This certificate is issued to confirm a change in POINT OF DIVERSION approved by an order of the Water Resources Director entered January 16, 1996, at Special Order Volume 50, Page 48, approving Transfer Application 6997, and supersedes Certificate 68482, State record of Water Right Certificates.

The right to the use of the water for the above purpose is restricted to beneficial use on the lands or place of use described.

The use confirmed herein may be made at times when sufficient water is available to satisfy all prior rights, including rights for maintaining instream flows.
